

04.12.2013/101

To whom it may concern;

The Energogroup "hereinafter referred as EG" is successfully continuing the infrastructure works of the K2 Business Park Project including the potable water, rain water and sewage system. As of today, 40% of the contracted works are completed.

EG is a reputable and reliable solution partner and shall be recommended for similar works.

This letter has been prepared with the request of EG.

Sincerely yours,

H. Mehmet BICER
